

Worship Team Training™ 2009

Workshop *EXPRESS*

One-Day and Two-Day City Workshops

Worship Team Training™

Customized workshops for your worship team as well as online educational materials.

Workshop *EXPRESS*

A One Day 6 hour workshop provided by a host church in your city - inviting all worship teams in your community.

Details and FAQs:

Who Are The Workshops For?

Musicians, singers, worship leaders, pastors and AV tech teams.

Are The Workshops For Specific Levels of Musicians/Singers?

No. All levels of musicians/singers are welcome.

Why Workshop *EXPRESS*?

Workshop *EXPRESS* is a convenient, practical, cost-effective clinic that speaks to the local worship team member. Workshop *EXPRESS* is creatively unique for today's concerns of matching budget expense to effective resources.

What Makes Workshop *EXPRESS* Different From Other Conferences?

1. Workshop *EXPRESS* has a hands-on training approach with a small student-to-presenter ratio.
 2. The topics covered in Workshop *EXPRESS* speak directly to the worship team member in their language.
 3. We explore practical concepts and new insights to inspire confidence helping you set achievable goals.
- Plus, we create an encouraging environment to test your skills in a live setting.

Is Workshop *EXPRESS* Good For Youth Bands?

Absolutely! In fact, we strongly encourage youth bands to attend as they are tomorrow's worship leaders, and they can have a big impact among their peers. Guiding these ministries is paramount for the future of the church.

Where Is Workshop *EXPRESS* and How Do I Sign Up?

At a host church near you. Not one in your area? How about becoming a host church?

- Fill out the *EXPRESS* Host Registration Form to become a Host (Page 2).
- Fill out the *EXPRESS* Member Registration Form to attend Workshop Express (Page 2).
